## **Our Performers:**

Grammy nominee **Judy Pancoast** will be performing singing her biggest hits, including "Swimming in Jello" and "One Big Eyeball," as well as "SHARKS." Judy is also known for her infectious Christmas hit, "The House on Christmas Street," which can be heard each Christmas season on radio stations across the country. For the past 21 years Judy's outrageously fun family performances have created a ruckus throughout the USA wherever children and families gather.

Local legend **Chad LaMarsh** has been getting crowds rocking across Northern New England with a musical career that spans over the past two decades.
